HOBART DEFEATS BUFF AND BLUE

Varsity Unable to Stop Hobart's End Runs—Hamilton Makes Repeated Gains Through Line—Fuess Injured.

SCORE 14-0

The Buff and Blue team, handicapped by the absence of Capt. Fowler, Towne, and quarterback Doyle, was again last Saturday forced to acknowledge defeat, this time at the hands of the strong and fast Hobart eleven. Hamilton showed ability to gain through the line in the second and third quarters, her only first downs being won in those quarters. Hobart's strength lay in both the line and the backfield, especially in the latter, where Gasper and Moran performed in a wonderful manner. Both these stars made repeated and long gains around the ends, Gasper taking the right and Moran the left. Capt. Howe for the Purple got off several long punts, the best of which went for fifty yards. In addition, he made two beautiful passes and played a hard and fast game in the line. Several Hamilton men were injured: Davis, Warren, and Fuess, the latter suffering a dislocated hip. The game was marred by a large number of penalties, Hobart having seven called against her and Hamilton two.

First Half

Hobart kicked off to Pope, who ran the ball back a few yards. Reeder punted to Gasper. He took the ball back for fifteen yards. In two more plays Hobart made the first touchdown, Gasper carrying the ball over after a long run around right end. Gorman kicked the goal. Reeder kicked off to Loghry, who ran it back five yards. After end runs that netted twenty yards Hobart tried a drop kick for a field goal from the twenty-five yard line. This failed and it was Hamilton's ball. Reeder punted out of bounds on Hobart's forty-yard line. Frolich gained ten yards and after a trick play had failed, Howe also punted out. After another end run by Gasper and an exchange of punts, the quarter ended with the ball in Hobart's possession on her forty-yard line.

At the beginning of the second quarter, Gasper skirted left end for ten yards. Hobart was penalized fifteen yards for holding, and Howe was forced to punt. Another penalty at the expense of Hobart and gains netting eight yards by Warren and Fletcher, Hamilton got a first down. Reeder made two good gains and, aided by a third penalty of fifteen yards for Hobart, Warren and Fletcher took the ball to within a few feet of the goal. Here Hobart braced and Hamilton lost the ball on downs. Howe punted out of bounds. Reeder, Warren, and Fletcher failed to win

HAMILTON SOCCER TEAM FIGHTS COLGATE TO TIE

Neither Team Able to Gain Victory in Hard Fought Contest.

The Buff and Blue soccer team tied the fast Colgate team last Saturday by a score of 2-2. The game was played on the Hill and was hotly contested throughout. Although the Colgate team was more experienced, having already played two games this season, they faced a fighting team. Captain Nichols' men put up a stiff fight from start to finish and kept the ball in their opponent's territory most of the time.

In the first half, the Hamilton forwards played a swift game, keeping the ball in the Maroon territory. Turner scored the first goal for Hamilton. Colgate evened the score in the latter part of the half when Mullin sent the ball between the Hamilton goal posts.

The second half was hotly contested, both teams trying hard to make the winning score. Moore made another goal for the Buff and Blue, while Cooper evened the score for Colgate.

J. Turner and Marlow played a fast, aggressive game for Hamilton while Capt. Farnham and Mullin starred for the Maroon. The teams were well matched, and played aggressively throughout the entire game.

The line-up follows:

HAMILTON LOSES CROSS-COUNTRY MEET TO R. P. I.

Engineers Win Close Victory by Score of 25 to 36—Thompson Again Finishes First.

Hamilton lost the first track meet of the season to R. P. I. last Saturday by the score of 25 to 36. Captain Thompson, as usual, kept his record clean for never losing a cross-country race, by finishing first at Troy. He was hard pressed by Clark of R. P. I., however, and crossed the line but three feet ahead of him. Van Hoesen was the next Hamilton man to finish. Thompson failed by only two-fifths of a second to equal the collegiate record for the R. P. I. course.

The race was unique for the Buff and Blue runners. The course was three and six-tenths miles long and lay along the city streets or pavement with markers placed at convenient intervals. This necessitated the wearing of sneakers, a thing to which our team is unaccustomed. However, under the circumstances the men did good work and deserve credit, especially Captain Thompson, Van Hoesen, and Yates.

The following is the order in which the runners finished:

1. Thompson, Hamilton.
2. Clark, R. P. I.
3. Hershburg, R. P. I.
4. Van Hoesen, Hamilton.
5. Yates, Hamilton.

6-11. All R. P. I.

12. Williams, Hamilton.
13. Clark, Hamilton.
14. Castle, Hamilton.
15. R. P. I.
16. Fenn, Hamilton.

The Cross Country team of the College of the City of New York, which is on Hamilton's schedule, was beaten by Brooklyn Poly by a score of 25 to 30.

PRES. FERRY AT CORNELL

On Thursday, October 20, President Ferry was at Cornell, attending the inauguration of the new president, Dr. Livingston Farrand. On Friday, he took part in the convocation program of the University of the State of New York, a division of the State Department of Education. On Saturday, Dr. Ferry was present for the inauguration of President Frank Aydelott at Swarthmore College, Swarthmore, Pennsylvania. Yesterday, the 24th, he attended the meeting of the Executive Committee of the Association of American Colleges in New York City.

COLLEGES TO DISCUSS DISARMAMENT QUESTION

Seventy-One Colleges and Universities Invited to Send Delegates to Princeton Tomorrow—Gen. O'Ryan Will Speak

Seventy-one colleges and universities in the eastern part of the United States have been invited by Princeton to attend a limitation of armaments conference at Princeton on October 26. Hamilton has received an invitation but will probably not send delegates. The principal purpose of the intercollegiate conference is not to seek to influence the delegates to the Washington conference, but rather to stimulate discussion of the question in the colleges. It has been decided that the principal emphasis will be placed upon addresses which will be made by men, prominent in public life, to the delegates.

The speakers who have been chosen so far are Franklin D'Olier and Major General John F. O'Ryan. Both these men have been intimately connected with the late war, and, considering the positions which they have held, their opinions on the disarmament question should be thoroughly sound and unbiased.

The delegates will be expected to return to th ir respective institutions and begin publicity campaigns in order to bring the matter before the students for serious consideration. It is also hoped that following the meeting straw votes may be taken in the various institutions, the results of which will be fairly significant.

Among the colleges in this vicinity which have been invited are: Colgate, Hobart, Rochester, R. P. I., and Union. Whether or not these colleges have accepted the invitation is not known.

CORNELL ALUMNI FORM UNIVERSITY PRINTING COMPANY

The Cornell Publications Printing Company has been organized in Ithaca by Cornell alumni to print the University publications. This work was formerly done by the job printing department of the Ithaca Journal-News. The profits of the new company will be turned over to the Trustees of the University in the hope that they may be used to found a University Press.

Restricted Freshman Competition—An Unfair and Impracticable Taboo

A week ago yesterday the Faculty passed a rule debarring freshmen from competition for managerial jobs or for positions on publications. This ruling was to be in effect "from now on". Previous to the action of the Faculty the Executive Council had approved of the plan, but had not stipulated the time of its application.

The advantages to be secured from such a system are obvious. However, the disadvantages of putting such a plan into operation in mid-season, as it were, are likewise obvious and numerous. It is a noteworthy and significant fact, a fact indicative of the general realization that such a move now would cause disastrous confusion, that the freshmen competing for the jobs placed under ban have remained in the competition, at the instigation, of course, of their respective crowds. That they remain in the field over a week after the action of the Faculty shows that the entire college realizes fully that a change now would be impracticable.

Moreover, the change would be unfair to the Freshmen who have been competing for the jobs this fall. Few competitions last for a period of over six months. To put this ruling into effect now would mean that the Freshmen would have sacrificed the work of a month and a half. It is foolish to say that they could receive credit for this work next year, should they again compete for the same jobs. At that time the present managers will have given way to new ones, who will be unable to judge the merits of work done this fall.

There is nothing to be gained from the argument that the change would vitally cripple the various departments and publications. That is not our contention. Undoubtedly they could rally from the blow. It would, however, be exceedingly difficult to get Sophomores out for the jobs at this late date.

With much greater ease could this plan be put into operation at the beginning of a year. For example, next year it would be a simple matter to call for Sophomores for the competitions instead of Freshmen. This would place a double burden upon the class of 1925; but to change now would place a double burden upon the class of 1924. This doubling up on one class is unavoidable.

It is possible, however, to avoid the necessary confusion that would arise from putting the new ruling into effect at the present time. With several months in which to work, a new system could be devised, and then put into operation next fall with a minimum of confusion.

HOBART DEFEATS HAMILTON

(Continued from page 1.)

another first down. After an exchange of punts, the first half ended with the ball in Hamilton's possession.

Second Half

Reeder kicked off to Frolich, who ran the ball back twenty-five yards. Hobart, after gaining twenty yards on runs by Frolich and Gasper and again being penalized, attempted a pass. Davis intercepted this and it was Hamilton's ball. Reeder punted and Frolich fumbled; Hamilton's ball. Warren and Fletcher failed to gain. Another exchange of punts followed, Howe getting off a fifty-yard punt, the longest of the day. Gasper gained five yards. After an incompleted pass, the ball was Hamilton's. Reeder and Fletcher advanced the ball six yards and then Reeder punted out of bounds. Gasper and Moran skirted the ends for good gains. Hamilton was penalized for off-side play and a few moments later Hobart was penalized. On a forward pass by Howe and long end runs by Gasper and Moran the ball was advanced to Hamilton's ten-yard line. Moran on the next play went around left end for the second touchdown and Gorman kicked the goal. This ended the quarter.

In the last quarter Howe kicked off to Fletcher. Hamilton could not gain, and Reeder punted to Gasper. For the first time, Hobart failed to run the ball back. Pope made a fine tackle of Moran. The latter gained fifteen yards around left end on the next play. It was at this time that Fuess was injured and had to be removed from the field. Pitkin being substituted, play was resumed and Moran skirted both ends for a total of ten yards. Davis was hurt and Spice substituted for him. Hobart advanced to Hamilton's thirty-five-yard line on runs by Sterns, who had been substituted for Frolich, and Gasper. Hobart was again penalized, and after an incomplete pass, Howe missed a goal from placement on the forty-yard line. Hamilton lost the chance to gain and Pitkin punted. The game ended with the ball in Hobart's possession on the forty-yard line.

Here's why CAMELS are
the quality cigarette

BECAUSE we put the utmost quality into this one brand. Camels are as good as it's possible for skill, money and lifelong knowledge of fine tobaccos to make a cigarette.

Nothing is too good for Camels. And bear this in mind! Everything is done to make Camels the best cigarette it's possible to buy. Nothing is done simply for show.

Take the Camel package for instance. It's the most perfect packing science can devise to protect cigarettes and keep them fresh. Heavy paper—secure foil wrapping—revenue stamp to seal the fold and make the package air-tight. But there's nothing flashy about it. You'll find no extra wrappers. No frills or furbelows.

Such things do not improve the smoke any more than premiums or coupons. And remember—you must pay their extra cost or get lowered quality.

If you want the smoothest, mellowest, mildest cigarette you can imagine—and one entirely free from cigaretty aftertaste,

It's Camels for you.

Carpe Diem

This is a contribution, and it's offered for what it's worth—we'll give you three guesses as to the author, although one should be enough. Anybody else got any such grievances? If so, hand them in, we're fair minded.

"Having had our dignity ruined, undignified aspersions cast at our social prowess, and the general morale of our sweet temper soured by thrusts from the seats of the mighty (the editor of Carpe), we take pen in our mighty right. To equal the fluent words of our literary dictator and predecessor, we aspire not. But let us hither in search and lead forth the Royal Goat.

"Before pounding out these few words, we sought our victim. Mirabile dictu! We found him on the tennis courts—with a borrowed racket—alternately driving the Department's balls into the back net and over into the soccer field. He wore his own shirt. Let us state that he has a form, but it is beyond our powers of description. We refuse to publish his words, except two, 'That's me'.

"Having taken old Carpe's burden on our shoulders, we feel the urge to hand the raspberry to someone else, which reminds us that the Alpha Delts are the latest planners. The Theta Delts and the Dekes have bravely flaunted their plans through ten rushing seasons. But just wait till building materials come down.

"More scandal. Despite all predictions, Hamilton Lit will come forth this year. Editor Smith promises a total revision of character—a new cover, a few snappy treatises on the Scott Fitzgerald type, and a few jokes sprinkled through the death notices. 'A worthy ideal,' say we, 'A possible rival of the college humorous publication', say the Trustees.

"With the graduates of '80 and '90, we question if the good old days of the college haven't gone. Class hate, lettered sweaters, and the old clothes have succumbed to 'gollif' suits and greased hair. Even the hard-boiled Sophs have given ground and we find the class of '24 rivalling the gay young Juniors for honors as the best parlor snakes. Ye good auld days, we regret your passing with tear dimmed eyes, and await the entrance of Co-eds to our midst."

Pretty good, huh. Our own conscience is satisfied, as Bill Macey says every time he reads a Davy lesson—and we'll be real nice to the author of this hereafter. BUT—we don't have to go over to Cal's three times a week to play bridge in order to pass P. S. 9-10.

Didja have a good time? And didja notice that the "college humorous publication" has finally become the Royal Gaboon in Chapel?
